

ISO 14001 REGISTRATION

Maverick Spring Makers Limited, a manufacturer of custom springs in Brantford, Ontario, is proud to announce their Environmental Management System has been registered to ISO 14001.

ISO 14001 provides a framework for organizations to protect the environment, to identify and control their environmental impact and continually improve their performance in response to changing external and internal factors.

Since 1996 Maverick's Quality Management System has been registered, first to ISO QS 9000 and currently to ISO/TS 16949. A quality management system is a collection of business processes focused on consistently meeting customer requirements and enhancing their satisfaction. Building on our ISO/TS 16949 registration, ISO 14001 registration is further evidence of our efforts to continually improve our processes and further minimize any negative impact our business activities have on the environment.

Maverick Spring Makers Limited is committed to the practice of sound environmental stewardship and the promotion of health, safety and the well-being of our employees.

We will never knowingly permit any person, or the environment to be harmed by our actions or our products.

Maverick is committed to the philosophy of REDUCE, REUSE, RECYCLE.
